

Ashville Police Department's Civilian Basic Pistol Training Program

The **Basic Pistol Training** class is designed for those individuals who have very limited experience or knowledge with revolvers or semi-automatic pistols. The class focuses on the basic fundamentals of pistol craft and understanding the differences between these two types of handguns. The student will be provided with specific information to enable them to make an educated decision when choosing a firearm.

Other information provided will be the functioning and components of a firearm and ammunition, the differences between firearm actions, brands, caliber and other information. The student will learn to proficiently shoot a firearm, but to be highly competent with all aspects of the firearm they will be using.

Training will cover both revolver and semi-automatic pistol.

The 4 hour classroom training will cover the following material

- Safety
 - Nomenclature (the components of a firearm and ammunition)
 - Firearm Handling
 - Functioning
 - Loading
 - Unloading
 - Stance, Sight Alignment and Trigger Pull
- The 2 hour range training will consist of:**
- Live-Fire Drills

- Practical Application of Shooting Fundamentals

Please bring your handgun, at least one magazine and 50 rounds of ammunition.
